# FOREWORD

The 1969 Indian Village is a summary of the 1968-1969 school year. The annual staff has worked hard to recapture the high school days of over 800 students attending U.S.H.S.

Whether a student wishes to become a farmer, homemaker, or scientist, the training received in high school will prepare him to be of greater importance in the world. In preparation to become our country's leaders, these young adults have been given equal opportunity to acquire knowledge and skill in their chosen fields.

As students leave their school-days behind them, they, as graduates of Upper Sandusky, will be equipped with the knowledge and training to become our nation's leaders.

# Dedication

Miss Ellen Matteson

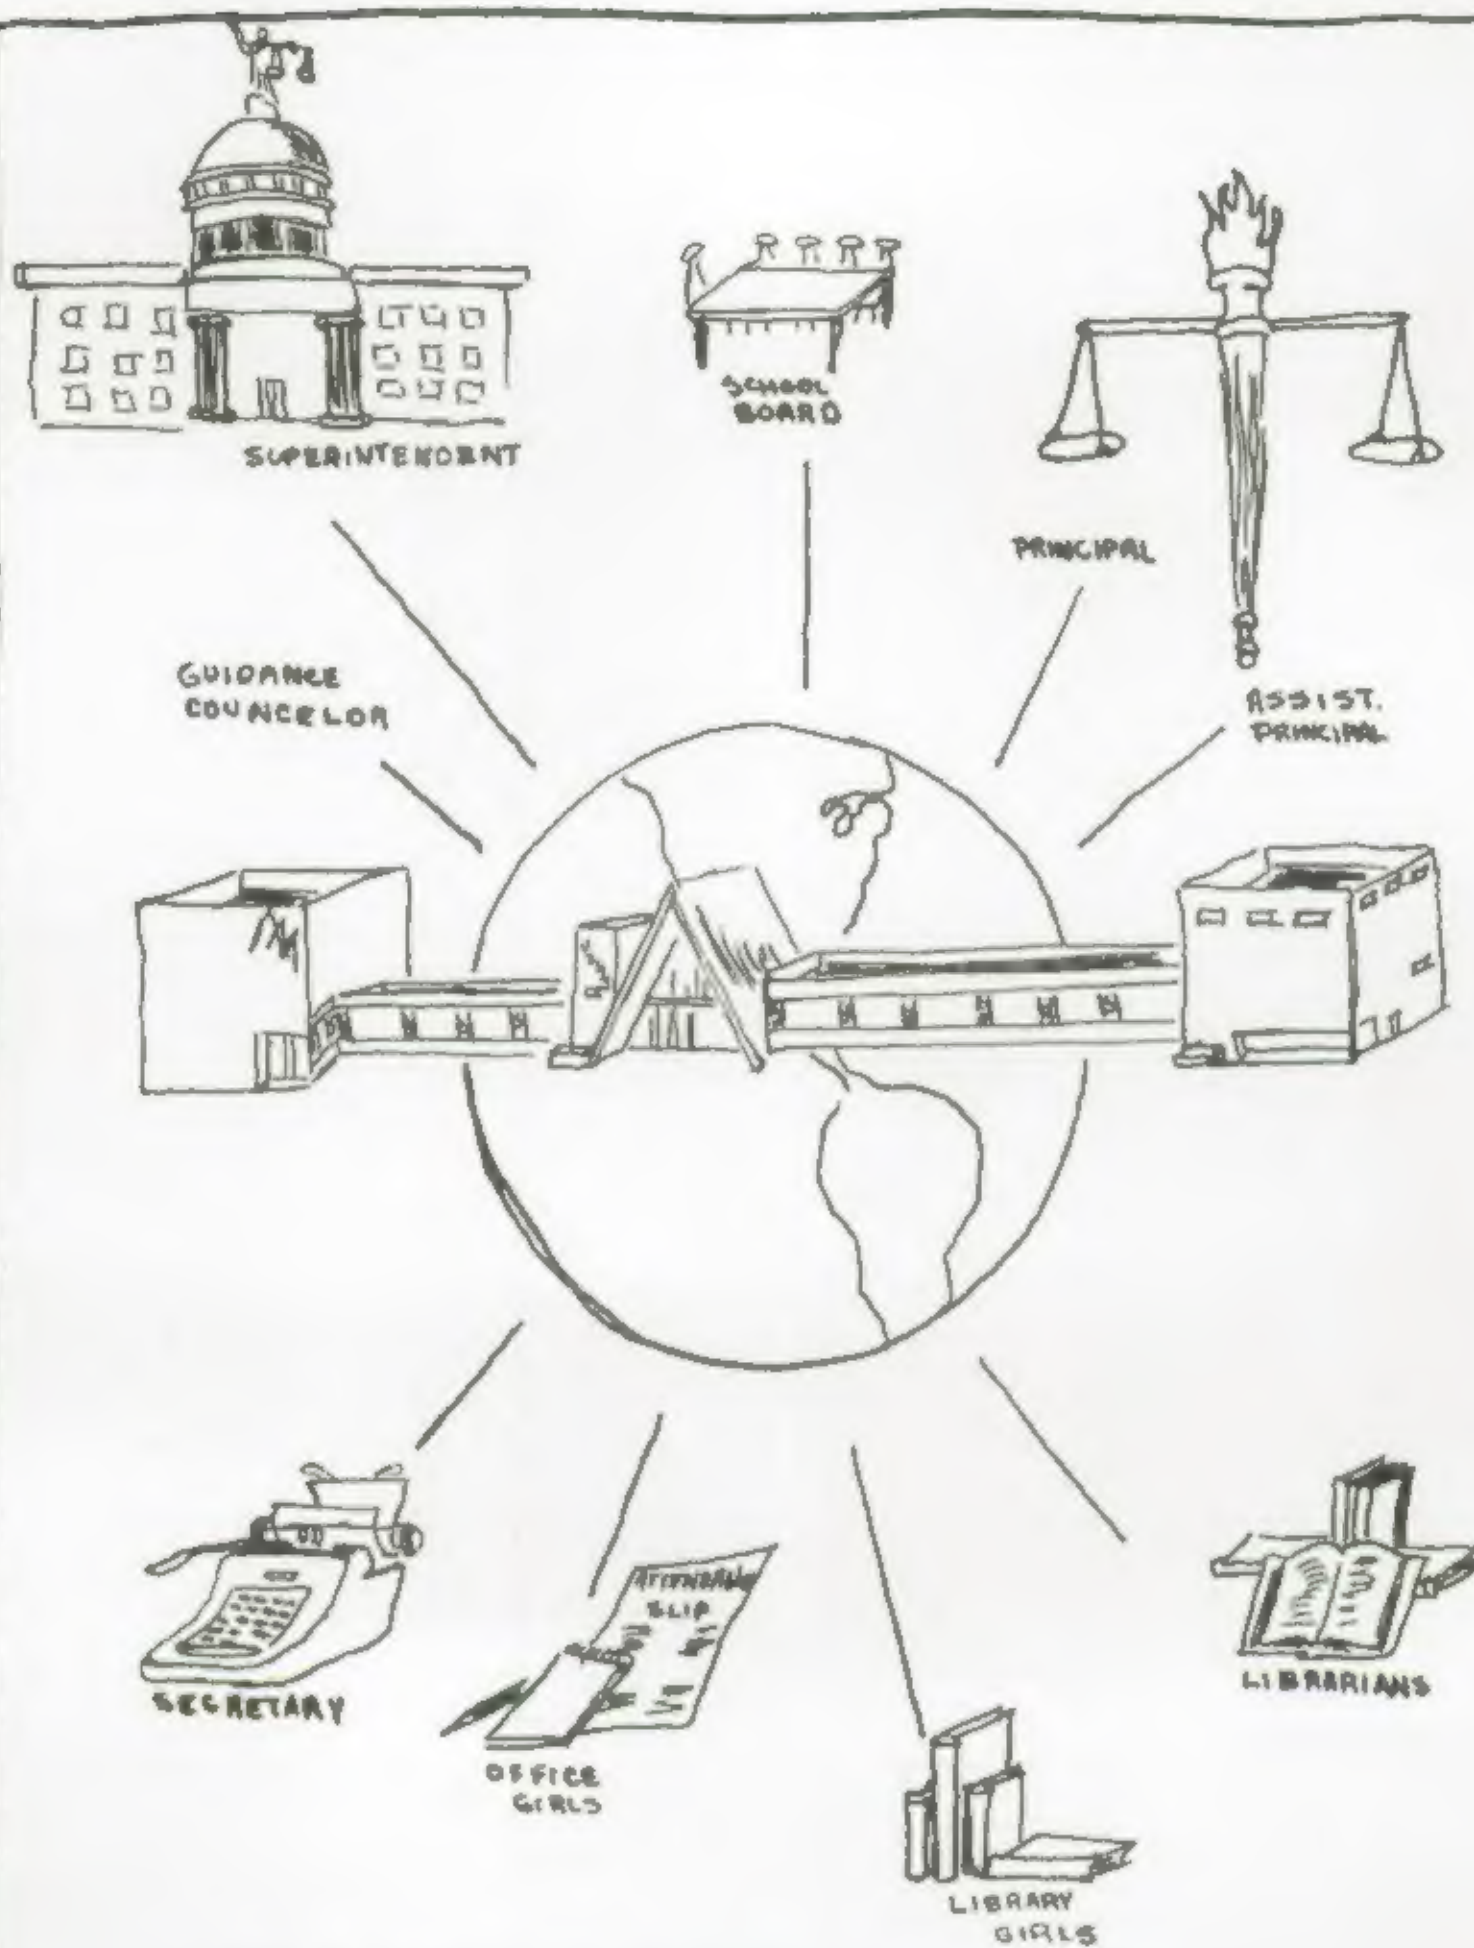

The Annual Staff is honored to dedicate the 1969 Indian Village Annual to the U.S.H.S. librarian, Miss Ellen Matteson. Students who have learned and profited by their association with Miss Matteson realize the importance of the duties she performs with untiring perseverance and devotion. Her training includes studying at three universities, teaching for three years, substitute teaching for one year, and serving as librarian at U.S.H.S. for 35 years.

Miss Matteson's task is much more involved than it seems, as she must be a disciplinarian besides handling the myriad offices which accompany the position of school librarian. For example, many English teachers, realizing the benefits of the knowledge of a librarian, have presented their classes with the opportunity to learn the correct use of library facilities under the direction of Miss Matteson. While adding to her own labors, Miss Matteson seeks to facilitate the search and research of students. The students and faculty acknowledge you, Miss Matteson, for your sacrifices and patience.

Miss Matteson breaks school tension by gardening.

Throughout the year on the second Monday night of every month, Mr. Smith and the Board of Education meet to solve the problems and meet the needs of the Upper Sandusky Public School System. One of the big issues this year was the much needed school levy, and the problems of explaining it to the voters. Without the help of the Board, who donated their time, and Mr. Smith, a dedicated educator, the public schools would not be able to function as orderly or efficiently.

Robert Troup  
Clerk-Treasurer  
Fifteen Years of Service

Mr. Lee Kirkland  
Principal  
Ohio State University, B.S. M. A.

Our U.S.H.S. is headed by principal Lee Kirkland. He and his wife, Mary Jo, live on North Eighth Street with their son Alan, 16, and daughter Jo Ann, 14. Other than school activities his interest is sports especially golf.

As principal Mr. Kirkland's duties last almost the year round. During the school year he has the responsibility of meeting the needs of approximately 36 faculty members and over 800 students. During the summer months he has the job of scheduling the students and replacing and repairing needed items.

We, the student body, salute you Mr. Kirkland for the fine job you have done for us the past six years.

Serving us this year as assistant principal and head football coach is Mr. Ralph Young. He and his wife Nancy have two sons, Ralph, 10, and Russell, 8.

Mr. Young graduated from Baldwin-Wallace College in 1956 and received his M.Ed. in 1959. He served fifteen months in the U.S. Marines. Before coming to U.S.H.S. to be head football coach, he coached and taught at Strongsville High School.

Mr. Young enjoys music, plays, sports, both as a spectator and participant. He also takes an active part in church work. His goal is to 'help young people grow in all areas so they may meet the demands of the future.'

Mr. Ralph Young  
Assistant Principal  
Baldwin-Wallace College, B.A.  
Kent State University, M.Ed.

Mrs. Witzel  
Dean of Girls

Mr. McCutchen  
Dean of Boys

Mrs. Margaret Witzel, Dean of Girls, and Mr. Dean McCutchen, Dean of Boys, have done an excellent job this past school year of keeping the attendance records of all the students. Mrs. Witzel attended Wittenburg College and Bowling Green University. Besides her duties as Dean, Mrs. Witzel teaches girls' health and physical education and sponsors Pep Club and girls' basketball and volleyball. She has been at USHS for seventeen years.

Mr. McCutchen attended Ohio Northern and Indiana Universities, where he received his M.S. of Ed. He teaches Algebra II and advanced math and sponsors the Student Council. Mr. McCutchen has taught at Upper Sandusky for ten years.

## DEANS, SECRETARY, COUNSELOR VITAL TO SYSTEM

Miss Grace Slemmer, receptionist for our central administration office at the Union Building has served our school system efficiently for a number of years. Her secretarial duties include typing letters and communications, stencils, forms, etc., receiving visitors and telephone calls, operating a variety of office machines, scheduling appointments, completing reports and directories, and managing Mr. Smith's office. Miss Slemmer also has charge of personal records of all certified and non-certified personnel.

The Upper Sandusky schools rely on such dependable members of the staff like Miss Slemmer to insure the smooth operation of the system.

Miss Slemmer  
Secretary to  
Superintendent

Mr. Karikas  
Guidance Counselor

Mr. Charles J. Karikas, our guidance counselor at USHS, assists the students by advising them and helping them plan for the future. Mr. Karikas attended Ohio State University, where he received his B.S. in Ed. and also M. of Ed. in Guidance and Counseling. Mr. Karikas sponsors the Key Club and F.N.A. He has been at our high school for ten years.

# OFFICE GIRLS AND LIBRARIANS

Mrs. Nancy Michaels

Mrs. Helen Newberger

You can be sure to find the office girls doing any of the multitude of jobs needed to be done in the U.S.H.S. office. These senior girls sacrifice a study hall to help Mrs. Michaels perform her never ending duties. Some of their functions are to collect and pass out attendance slips, to deliver messages, and to help type schedules and grade cards.

# AIDE STAFF

Miss Ellen Matteson

The student librarians assist Miss Matteson and Mrs. Castle in the library during their study halls. These girls prove to be quite valuable and save the regular librarians much time by checking books in and out and performing other minor jobs that arise in our library.

Mrs. Donna Castle

G. Stone checks for information in library.

V. Orians, P. Kramer, B. Walton, L. Bils.

L-R: Norma Thiel, Donna Menningen, Virginia Westerman, Mildred Young, Jean Miller, Edith Chaney, Lucille Barber, Shirley Swavel

Mrs. Paul Ulrich, head supervisor, has the responsibility of keeping the lunch program balanced and meeting state standards.

## LADY COOKS HAVE HUGE TASK

J. Streng and W. Roszman relax over delicious meal.

Eight cooks, under the supervision of head cook, Mildred Young, prepare 1,000 well-balanced meals every day. They serve over six hundred meals at the high school, the rest of the food going to the other buildings. The cooks are assisted in the serving line and cleaning up the cafeteria by twenty-four student helpers.

Mrs. Gibson, Mr. Tooman, Mr. Shilling, Mr. Spitler.

# JANITORS AND BUS DRIVERS PERFORM IMPORTANT DUTIES

By building snow fence, janitors anticipate hard winter.

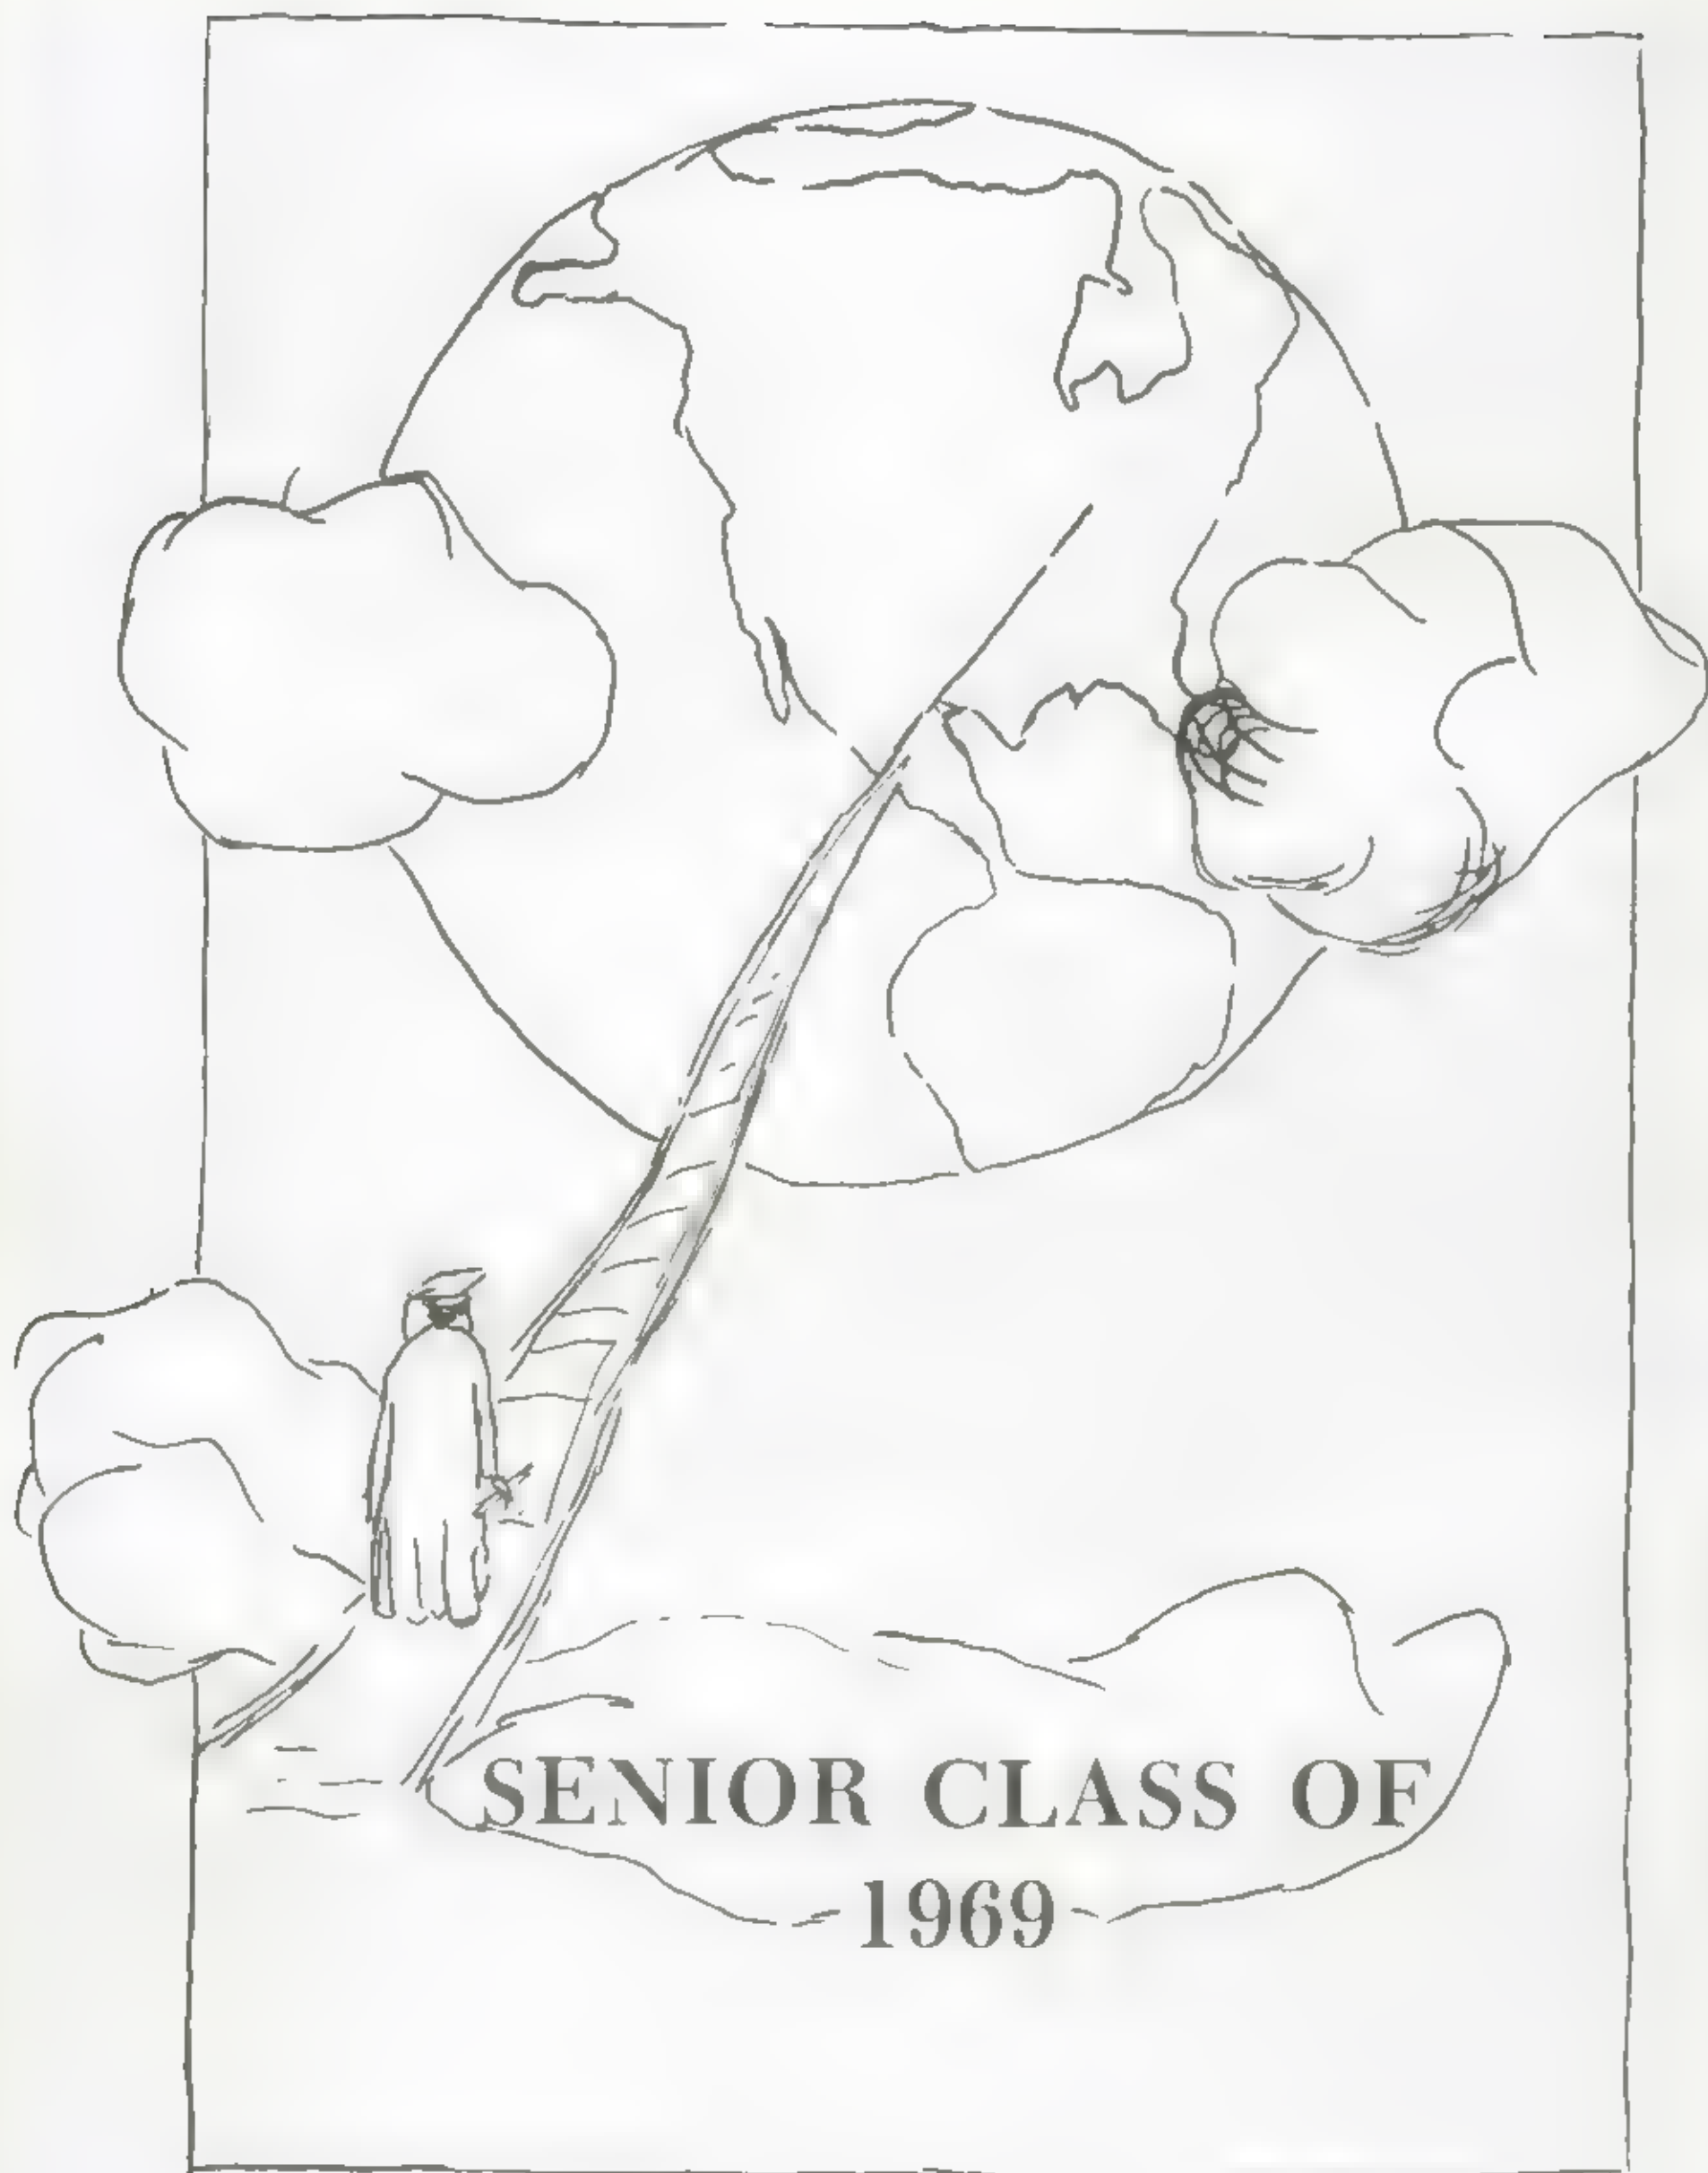

The janitors of U.S.H.S. have the never-ending, year-round task of keeping our school building spotlessly clean. Many students take for granted the work these people do. However, they are extremely important when a teacher or student needs such things as chalk, erasers, pencil sharpeners, or light bulbs.

## WE RECOGNIZE THESE DRIVERS:

Transporting the country students to school each day are seventeen bus drivers, fourteen men and three women. Fourteen drivers make dual routes, totaling approximately 100+ miles each day. Altogether, the bus drivers go about 10,850 miles each week.

Seniors, let's take a minute to look back over the past four years. Remember that freshman year? It seemed like there was always another hall to explore, teacher to meet, or room to find. That was when the football and basketball players all looked seven feet tall. It was the year that **the Junior-Senior Prom seemed like another world to us.**

Soon we were sophomores. Remember how tough we thought we were with someone younger than we were to push around. How could we forget how proud we felt to get out of school on **Monday morning to get our driver's permits?**

Then came that Junior year, wasn't it great? Being a Junior meant we no longer had to sit in the balcony during assemblies. However, as Juniors, we were very busy. Think of all those hectic autumn evenings spent working in the concession stand and those endless Saturday mornings cleaning the football field. But it was not a job; it was knowing that we were working to make our Prom the best prom ever. Remember that exciting feeling as we slipped on our class rings for the first time? When May rolled around, it was at last time for the Prom—the prom we had worked hard for for the whole year. We thought the rain would ruin everything, but May 21 turned **out to be perfect for our "Paris by Night" theme.**

All of a sudden, one day in September, you heard someone calling you a senior. Didn't it seem funny being the "top" class? One of our classmates was homecoming queen. Getting our Senior pictures taken, getting measured for our caps and gowns, and ordering our announcements made us realize that our school days were drawing to a close. The friendships made in our high school days, the good times shared on the buses to football games, and the struggle for good grades all seem in the past as we look beyond graduation into the future.

When the sophomores became juniors last June, they received many new responsibilities with their new prestige as upperclassmen. At the head of the class was Gary Richardson; his fellow officers were: Dave Niederkohr, Sally Roszman, and Becky Walton. These held the responsibility of planning and organizing the Junior-Senior Prom. Through various class activities, such as the concession stands at the football field, the Juniors gained valuable experience in working together as well as funds needed for the Prom.

In years to come the juniors will have many happy memories of teamwork, class rings, and friendships made in their Junior Year 1969.

Mr. Frederic Criner, who graduated from the University of Toledo, where he received his A.B. degree, is the sophomore class sponsor. He teaches French and Latin.

Miss Susan Ford, also a sophomore class sponsor, attended Bowling Green State University and Findlay College. In her first year at U.S.H.S. Miss Ford teaches English 10 and 11.

Mrs. Eleanor Diller, who teaches English 10, attended Heidelberg and Oberlin Colleges, where she received her A.B. degree.

Throughout this past year, the Sophomores at U.S.H.S. have gained more responsibility, indulged in more difficult subjects, and have had the opportunity to participate in more extracurricular activities. Being Sophomores meant more than having younger students to push around in the halls. This was the year to get drivers' permits for many Sophomores. The Hi-Y-Hi Teens Dance became a major thought in the students' minds as Christmas time drew nearer. As tenth graders, however, the students realized the keen competition in all fields--sports, studies, and social life.

This year's freshmen class had the distinction of being the largest class ever to enter U.S.H.S. There were 115 girls and 116 boys making a total of 231.

Being a freshman is really very challenging especially when the upperclassmen don't enjoy having you around. We took great consolation in knowing that the upperclassmen were once freshmen. Even though we didn't have as many privileges we made the best of a truly new and exciting year at U.S.H.S. and we are looking forward to an even better one next year when we are part of the upperclassmen.

## HOMECOMING

Homecoming this year was the crowning event of the football season. It was a time of anticipation and tension for the entire student body. The court spent an exciting week of posing for pictures and receiving congratulations. As the time came for one girl to be separated from the rest as the U.S.H.S. Homecoming Queen, the anticipation mounted to its peak. When the actual moment for the crowning event approached, there was a bond of friendship and sportsmanship binding the Queen and the four members of her court.

# FOOTBALL POSTSCRIPT

## Upper 24--Kenton 21

The fighting Rams opened the 1968-69 season with an exciting 24-21 victory over Kenton. In a thrilling offensive battle, fans saw the Rams' Lewis Lenhart bring home the winning score with 1:09 remaining to play.

## Tiffin Calvert 27--Upper 12

Hampered by injuries, the Rams were unable to play the type of game they were capable of. Never giving up, the Rams fought back in the last quarter in a losing effort.

## Upper 14--Galion 12

Parents' night and the first NOL game brought fans to the home field as the Rams and Galion battled for four long quarters. In the end it was Mark Emerine's extra points that proved the difference.

## Willard 20--Upper 0

Willard invaded Upper with an undefeated record and the hope of retaining it. The Rams played their best after losing Tim Monroe and Lewis Lenhart early in the game. Ahead by only eight points at halftime, Willard handed the Rams a 20-0 defeat.

## Bellevue 26--Upper 6

With a depleted squad the Rams invaded Bellevue looking for victory number three. Bellevue however, proved to be too much for the Rams with Jeff Cavanaugh the only Ram to get on the scoreboard.

## Shelby 24--Upper 0

League leading Shelby left their home field knowing they had been in a ball game. Although the score may indicate differently, the Rams made Shelby scrape for every yard they got.

## Upper 30--Bucyrus 8

The Rams faced Bucyrus in the seniors last home game. Things fell right for Upper as they moved the ball relentlessly against the Redmen defense. The Rams held the Redmen to minus yardage in the first half, with the exception of an 85 yard kickoff return.

## Tiffin Columbian 20--Upper 7

The Rams went to Tiffin Columbian looking for a victory, but Tiffin had other ideas concerning the outcome. In one of their poorest showings of the season the Rams' Mark Emerine scored in the second quarter with Mark Romach kicking the extra point.

## Norwalk 20--Upper 6

The final game saw the Rams against winless Norwalk. In what was termed as an upset Norwalk scored 20 points in the second quarter. The Rams scored on a second quarter run by Mark Emerine, but we were unable to score in the second half.

The 1968 Upper Sandusky High School Junior Varsity football team led by Coach John DeBlasis finished the season with an impressive record of 4 wins, 2 losses, and 1 tie.

The single wing offense proved costly to many of the J.V.'s foes as the Reserve squad picked up 74 points in their last two games alone.

The Reserve Rams out scored their opponents 144 points to 86 points. If this team works hard, the "69" Rams should finish with a very impressive season.

## Young Rams Have Trying Season

The Freshman Football Team finished their season with a record of 0-6. Mr. Bondy felt the team should have won at least three of the six games played. Some of the boys worked hard and gave their all out effort to win.

Mr. Bondy made it a point to play every boy in every game. If the boys work hard this summer, they will become a winning team next season.

The 1968-69 Upper Sandusky Marching Ram Band

Miss Mary Kuenzli leads Alma Mater.

With a shrill tweet of the whistle by head majorette, Mary Kuenzli, and a snappy drum tap, the U.S.H.S. fighting Ram Band took the field at the start of the football season. This year the 98-piece marching band, under the direction of Mr. David Tschiegg, presented catchy dance steps and snappy drills with such songs as: "Once in Love With Amy," "Mississippi Mud," and "Hernando's Hideaway."

Although band practice meant much hard work, the students also found time for fun. The traditional initiation of the freshman band members, the exciting bus rides to the away football games, the rousing cheers through the towns, the rivalry between the classes, and marching in the Memorial Day, Halloween, and Christmas parades, were only a few of the many highlights of the band's season.

The marching band is to be congratulated for helping to create enthusiasm at football games and at pep rallies throughout the year.

The 1968-69 intra-mural bowling league was a very successful experience for all who participated in it. Thirty teams with seven on a team bowled on three consecutive nights, Monday, Tuesday, and Wednesday. Mr. Ronald Clark, the adviser, and the secretaries, Sandy Barth, Toni Kolarik, and Kay Young, had the task of figuring each person's average. At the end of the bowling season trophies go to the boy and girl with the highest series, for the most improved bowler, and for the first place teams. AND

The Senior Class Play this year was ARMS AND THE MAN written by George Bernard Shaw. It was a comical satire on love and war.

It was directed by Mrs. Susan White, and assisted by Mr. Allen Walton. Ruthellen Baughn was the student director, and Jay McCreary and Jim McConnell were the stage managers.

The three act play took place in Bulgaria in the winter and spring of 1885. The setting for the play was the home of the Petkoff's. When the play opened, Raina was in her bedroom talking to her mother about the marvelous victory that Major Sergius, Raina's betrothed, has just won. As the play progresses, the events that occurred kept the audience amused and wondering until the end of the play.

UPPER--80      BUCYRUS--57      UPPER--68      BUCYRUS--75

Led by a balanced scoring attack with four players in double figures, the Rams defeated Bucyrus 80--57 for their first victory of the season. Game number two played in the Bucyrus "crackbox" proved to be the opposite as Bucyrus outplayed the Rams in the first half to claim a 75--68 victory.

UPPER--75      TIFFIN--91      UPPER--55      TIFFIN--77

With the first game tied 62 all, after three quarters, it looked as though the last quarter would be an exciting one. But Tiffin exploded for 29 points in the final quarter to win 91--75. The second game proved no better as none of the Rams were in double figures, and Tiffin went on to win 77--55.

UPPER--53      GALION--52      UPPER--53      GALION--69

In a very close game played at Upper, the Rams went ahead of Galion in the third quarter and battled through the seesaw fourth quarter to win 53--52. Game two at Galion proved to be quite different as Galion stormed to a 69--53 victory.

UPPER--66      BELLEVUE--73      UPPER--60      BELLEVUE--72

A close game throughout, Bellevue left Upper with a 72--66 victory. In the second encounter, at Bellevue, the Rams were unable to overcome an early deficit and lost to the league leading Redmen 72--60.

UPPER--81      NORWALK--78      UPPER--69      NORWALK--85

In one of the most exciting games of the season, the Rams hustled all the way and emerged with a last second victory. Norwalk's return trip proved to be a nightmare as the Truckers won 85--60.

UPPER--63      SHELBY--69      UPPER--57      SHELBY--68

In the first encounter at Upper, the Rams battled Shelby throughout the whole game, but were unable to cope with Cal Dietz's 13 points in the fourth quarter. In the return match, Shelby went on again to win, 68--57.

UPPER--72      WILLARD--77      UPPER--63      WILLARD--55

Chuck Barrison's 43 points in the first meeting proved to be too much as the Flashes won 77--72. In a close second game the Rams pulled away in the final quarter to claim a 63--55 victory.

## TOURNAMENT GAMES

UPPER--79      BUCYRUS--48

Using a ten man rotation system, the Rams completely outplayed Bucyrus to claim their first tournament victory. It was a sweet victory for the Rams who earlier in the season lost to the same Bucyrus squad 75--68.

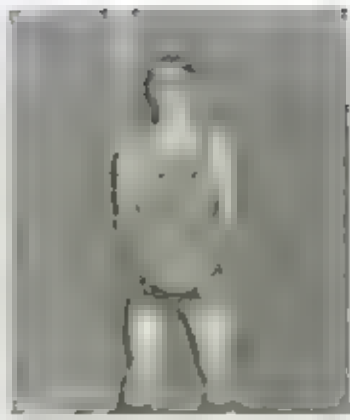

UPPER--77      MANSFIELD MADISON--57

With eager anticipation the Rams met Ed Fisher's squad and handed them a crushing 77--57 defeat. Displaying a balanced attack with ten Rams in the scoring column, Upper received their second tournament victory.

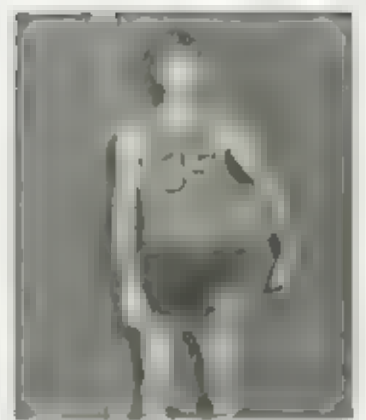

UPPER--76      ONTARIO--88

Shooting a tremendous 52% from the field, the Ontario Warriors stopped the Rams 88--76 in the third game of the sectional tournaments. The Rams were unable to hit consistently, but kept the pressure on throughout the game.

The Upper Sandusky Reserve Basketball Team under Coach Jim Morrison had a very successful year as they captured the Reserve N.O.L. Crown with a 14--2 record. The statistics showed that Upper averaged 62 points per game while they allowed an average of only 46 points per game to their opponents. These 14 wins were due mainly to balance and a strong bench. The Reserves were consistent shooters from the outside as they had a 41.17 field goal percentage, which is extremely good. We here at Upper High honestly believe that as these Reserves grow to Varsity status, they will help to develop one of the best basketball teams ever assembled here at Upper High.

# FROSH HAVE TRYING SEASON

The Freshman Basketball team under coach John DeBlasis had a disappointing season by not winning a single game. They fought many hard and close games, but to no avail. As the season progressed the Frosh seemed to work more as a single unit and they began to utilize their basketball skills. If the Freshmen work together during the off-season months and follow a conditioning and development program, they could be quite a surprise in the coming years.

# Pep Organizations Encourage Participation

Pep Band provides added enthusiasm for games.

The 1968-'69 UHS Pep Club, under the direction of Mrs. Margaret Witzel, had a membership of 62. The purpose of this club was to boost our team, build school spirit, assist our cheerleaders, and build good sportsmanship. This group, led by President, Joanne Geiser, Vice President, Pam Leeth; Secretary, Gwen Stone, and Treasurer, Terri Stansbery, was seen at every home basketball game.

The Pep Band under the direction of Mr. David Tschiegg provided the proper musical atmosphere for each Upper Rams home basketball game.

Pep Club provides added flair at basketball games.

# TWO NEW ACTIVITIES

This year the junior and senior girls were given an opportunity to reveal their long hidden skills as well as keep themselves physically fit because girl's basketball was offered. The girls who took part in the program enjoyed themselves immensely and no one regretted the time spent in practice and workout.

The team's schedule consisted of two scrimmages with teams within the school system and four games with neighboring high schools. They finished the season with a highly commendable 5--1 record.

High scores for the Rams were Andra Bell and Kathy Kinley. Toni Kolarik and Lynn McEldowney led the girls on defense but individual honors are unfair as the girls felt that teamwork and Mrs. Witzel's coaching were the keys to their success.

# IN U.S.H.S. SPORTS PROGRAM

R. Stumpp, T. Kolarik, K. Kinley, F. Elliot, M. Byrnes, A. Bell, C. Wagner, E. Wright, K. Benner, K. Clark, N. Newberger, B. Barth.

The first year for this activity was a short but very successful one. Both teams, Varsity and Reserve, consisted of 21 players and practiced every Thursday after school for one hour and a half in either the high school or St. Peter's gymnasium. The teams chose outfits of black shorts and orange and black physical ed. shirts. The teams played at Colonel Crawford, and the Buckeye Central and Wynford games were here. Coached by Mrs. Witzel and Mrs. Warfel, the Varsity team won 3 out of 3, and the Reserves won two out of 3.

K. Clark serves for another point.

# INTRAMURALS HAVE MANY PARTICIPANTS

Every Saturday morning members of such teams as the Bazooms, Chikunga Graak, Savage Six, and Soul Brothers participated in the intramural basketball program supervised by Mr. Jump and Mr. Morrison. The boys were divided into two divisions with 52 freshmen and sophomores in the Junior Division and 62 juniors and seniors in the Senior Division. Each division was divided into eight teams that played games of four 10-minute quarters. The program began after Christmas vacation and ran for approximately ten weeks ending with tournaments to determine the division champs.

## STUDENT COUNCIL LEADS ACTIVITIES AT U.S.H.S.

The Student Council represents and leads the student body of U.S.H.S. Members direct the election of officers for each class, plan the Homecoming activities, and decorate the yearly Christmas tree.

Elections are held at the beginning of the year. Each member votes on whom they wish to represent them in an office.

The officers are President--Tom Vaughn, Vice President--Jim McConnell, Secretary--Bob Kiess, and Treasurer--Dave Roszman. The advisor is Mr. McCutchen.

The Future Teachers Association is organized to encourage high school students to become teachers. Members were very active this year. Each junior and senior member observed at Mohawk High School and all other members observed at area elementary schools. Junior and senior members were also eligible to act as substitutes for the teachers when they were ill.

Elections were held in the spring. An Executive Committee assembled to elect candidates; then, the whole organization voted on these candidates.

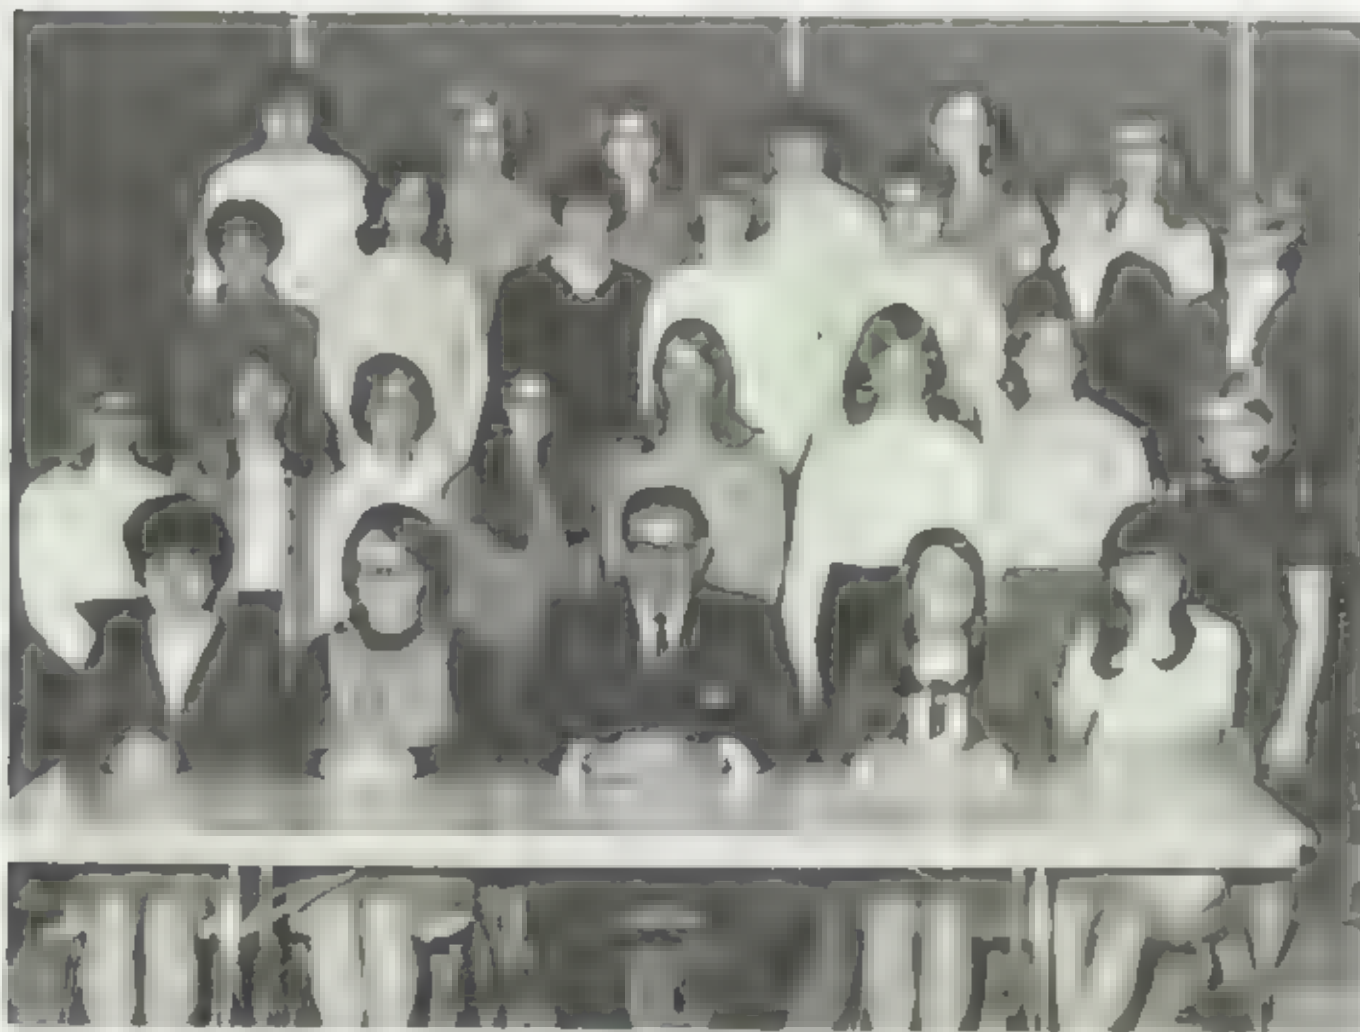

The officers are: President--Kim McDannel, Vice President--Carol Heckathorn, Secretary--Kathy Kinley, and Treasurer--Louise Bils. The advisors are Mrs. Groth and Mr. DeRhodes.

There are twenty-eight members in the Future Nurses of America. They have their meetings every other Thursday. These girls gain nursing experiences by "candy striping" at Fairhaven Home for the aged, and much knowledge by listening to speakers from Grant Hospital of Nursing and Flower Hospital of Toledo.

Some activities this year were: a Christmas exchange, caroling at the rest-homes, and donations to charitable foundations.

The officers of F.N.A. are: President, Sue Bennett; Vice-President, Linda Farrow; Secretary, Linda Montgomery; and Treasurer, Sue Rowse. Mr. Charles Karikas is the F.N.A. advisor.

# F.F.A. TEACHES FARMING TECHNIQUES

Parliamentary procedure, a pest hunt, public speaking contests, state and national F.F.A. conventions, the F.F.A. banquet, and land livestock, agronomy, and wool judging contests are some of this year's highlights of the Future Farmers of America.

F.F.A. teaches these sixty-eight future farmers the latest techniques and methods of farming such as: judging, crop rotation, and fertilization. Their advisor is Mr. John Borton. The officers are: President, Darrell Walton; Vice-President, Phil Schindler; Secretary, Doug Leightey; Treasurer, John Miller; Reporter, Robert Roszman, and Sentinel, Dennis Ward.

## KEY CLUB PREPARES FOR FUTURE

The USHS KEY CLUB originated three years ago from a chapter night held by the Findlay Key Club. The KEY CLUB'S purpose is to develop initiative and leadership, to provide experience in living and working together, to serve the school and community, and to prepare for useful citizenship. The KEY CLUB'S activities this year included: having a hayride and setting out flags for the blood-mobile and school flags for home football and basketball games. They also assisted the local Kiwanis Club with their annual pancake supper.

Mr. Floyd Hissong

Mr. Hissong attended the U.S. Naval Academy, Toledo University, and Bowling Green State University. He has degrees in Art and F.F.A. and teaches Art I, II, III, and IV. Mr. Hissong sponsors Art Club and is president of the C.T.A.

Mrs. Garner attended Miami University. She teaches Art I and sponsors Art Club.

Mrs. Jean Garner

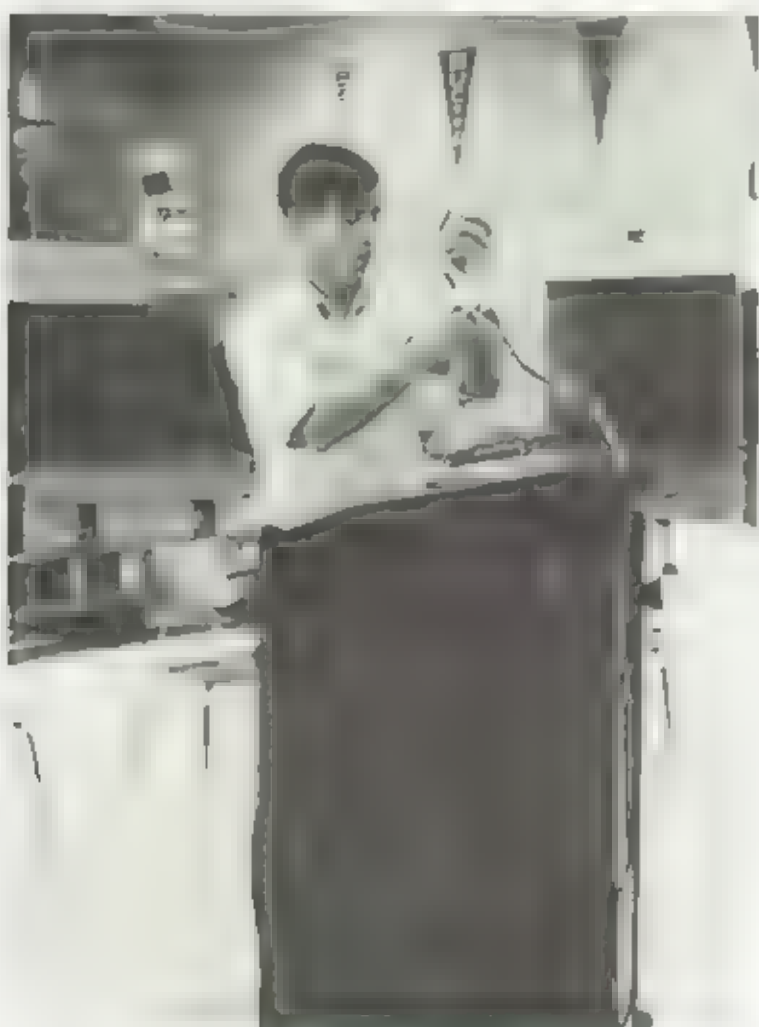

This year's Art Club had a successful and active year. President Dan Vaughn, vice president Debbi Garner, and secretary-treasurer Sandi McCombs had the job of organizing the club's activities. The Art Club sponsored a car wash, a hayride, a bake sale, and a record hop to raise money for their trip to the Art Museum in Toledo, Ohio. The Art Club painted the downtown store windows for Halloween and decorated the windows in the Student Commons for Halloween and Christmas. This club provides its members with a chance to learn from experience while giving aesthetic pleasure to both school and community.

# THESPIANS FIND THEIR GOAL IN DRAMATIC ARTS

The Upper Sandusky Thespian Society Troupe #380, organized to promote dramatics in the high school, holds a charter in the National Thespian Society. Under the directions of their advisor, Mrs. White, the students, interested in drama, participate in various sorts of dramatic work. The Thespians are those who have excelled in the field of theater and dramatic arts, and have earned at least ten Thespian points. These points are acquired through acting assignments, stage management or any activity connected with a dramatic production. Each Thespian point equals ten hours of dramatic work.

The Editorial Staff at work

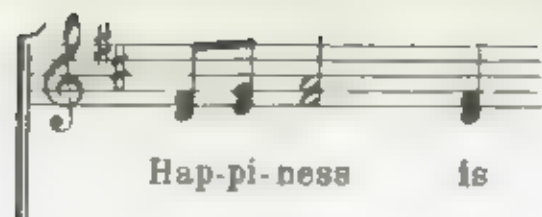

Business English Class shows their publicity costumes. The Annual Staff wishes to thank this class for all their service throughout the year.

Innovation, experimentation, and change were the main words motivating the annual staff. The main goal was to have the main part of the annual published in the spring before the seniors graduated. We decided to complete our school year review with a supplement which we published in August. In addition, we tried to show the students and teachers working together -- the way school life really is.

The whole annual was centered around our theme "U.S.H.S. Importance in the World" and through this theme we tried to show the students how their high school education is important to their future.

"LET'S MAKE MUSIC

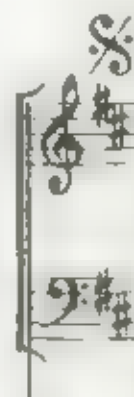

SINGING A TUNE

SOUNDING THE TRUMPET, AND

BEATING THE DRUMS."

Music is the first, the simplest, and the most effective of all means of instruction. It plays an important part in the curriculum of the Upper Sandusky High School. Involving approximately 425 students, almost half of the entire student body, the high school music department is becoming an inseparable part of school and community life. Though the large department includes much of the student body, it also includes the Music Parents. These parents of music students have formed an organization that proves to be most supporting to the music department.

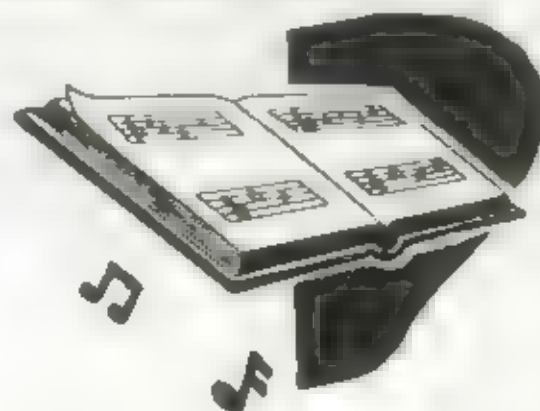

Tag Day is also a very important aspect of the music department. This year a total of \$1,300 was proudly collected by music students on Tag Day. This amount is used for the purchasing of uniforms, instruments, and anything else which is necessary for the performances of the bands and choirs.

Symphonic Band plays important part in music department.

### SYMPHONIC BAND GIVES CONCERT

The name is Symphonic because it is the most complete in instrumentation and in sound. The Symphonic Band is made up of all upperclassmen and totals sixty-eight members. The aim of the band is to involve the students in musical education and appreciation through performance. The Symphonic Band performed at the winter concert, the Christmas assembly, the N.O.L. Band Festival, and the spring concert.

The Concert Band is prepared to perform.

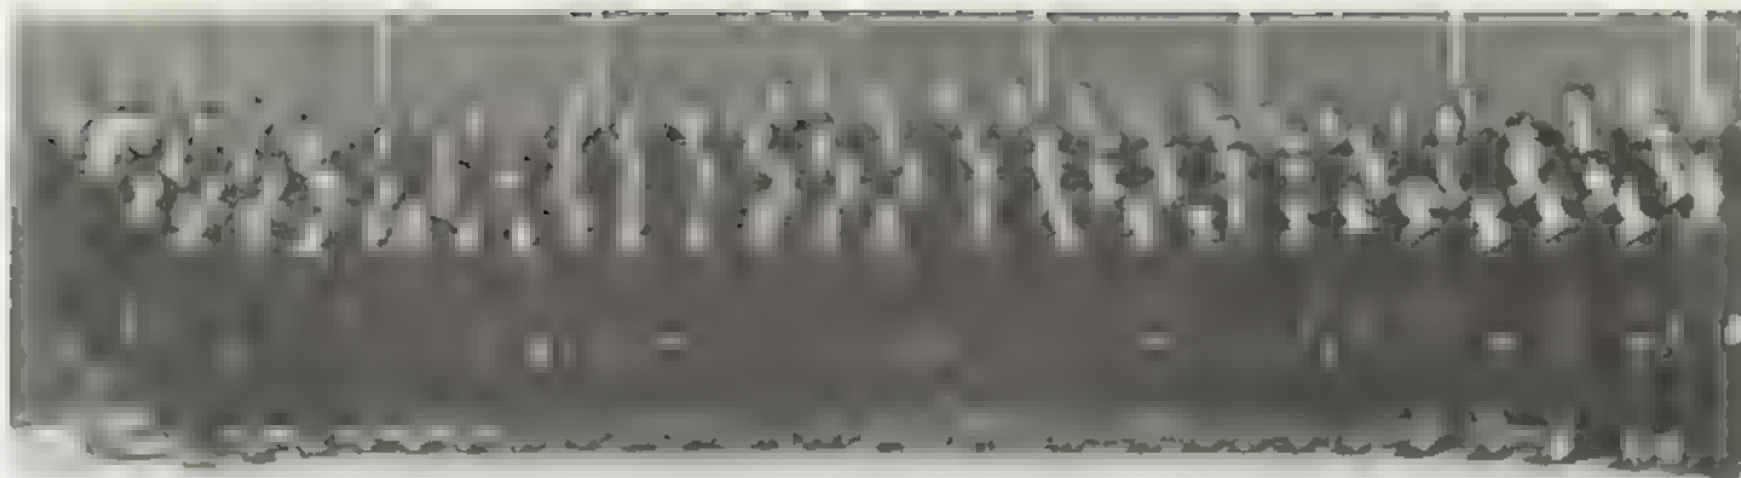

The flute section practices a difficult passage.

The concert choir gives two concerts yearly, one in mid-winter and one in the spring. Composed of approximately 40 freshmen, membership in concert band gives them an excellent introduction into the field of music, and prepares them to assume responsibilities in the symphonic band in their later years.

These two singing organizations contain the finest singing voices at U.S. H.S. Along with accompanists Carol Ulrich and Helen Smalley these groups gave many concerts during the winter and spring seasons. Director Mr. Thomas Schoeni tried to increase their skills and music appreciation by giving the students some insight into music history.

"We need some music, Mr. Schoeni."

## SOPH.-FRESH. CHOIRS SING THEIR TALENTS

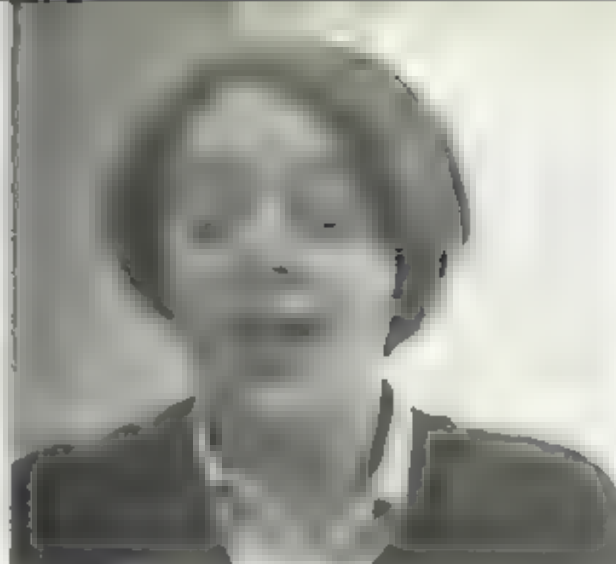

Music is an important part of every underclassman's life. The sophomore choir started their second year of singing with the Christmas concert. The accompanists for this eighty voice choir were Georgia Stephan and Julie Eatherton.

For a freshman, choir is one of the few organizations they can join their first year at the high school. This 126 member group had Beth Biedelschies, Gwen Stone, Diane Cattran, Sue Stein, and Kathy Margraf as accompanists. Mr. Thomas Schoeni directs both groups.

This year's Junior Class Play, "Twelve Angry Jurors," was a tense drama which was directed by Mr. Allen Walton. The student director was Sue Hollan-shead.

The play took place in the late 1950's on a very hot summer afternoon in the jury room. The Jurors have heard the case of a nineteen year old boy accused of killing his father. The case seemed to be clear cut, the boy was definitely guilty, and all the jurors had to do was to vote guilty and then go home. Unfortunately, it was not that easy. One of the twelve jurors believed that the boy was not guilty. After many heated arguments, that one juror finally convinced the other jurors that the boy was not guilty.

"I'll kill him --C. Peelman

"This isn't a sewing circle"--A. Kirk-land

"The boy's whole story is flimsy"--S. Rall

"Not much doubt--he's guilty" --P. Bringman

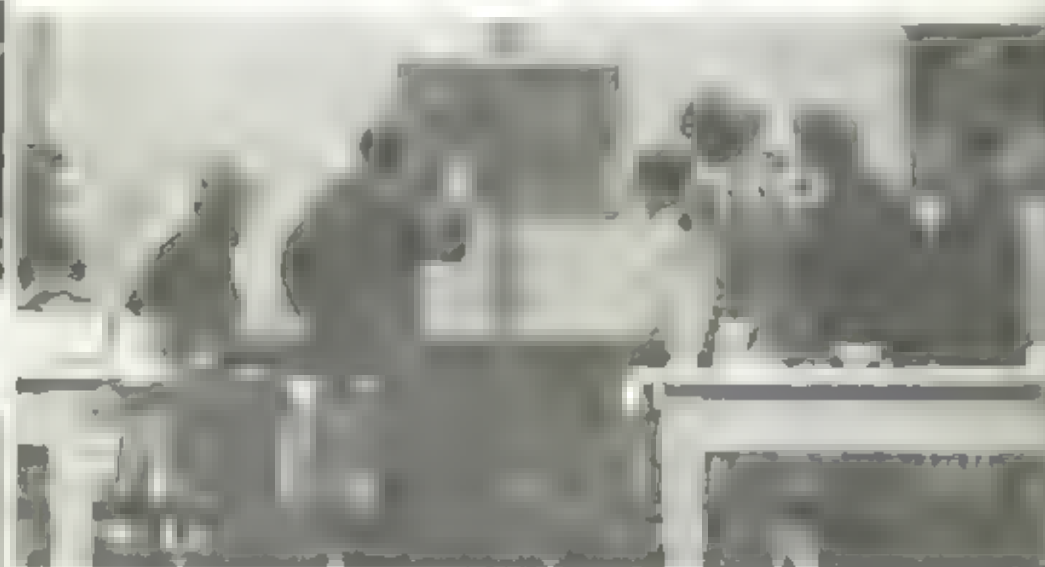

"The murderer would wipe away the finger prints --D. Bacon

How the murder was committed was the main argument of the play and jurors #1 & 10, 3 & 8 demonstrate how they believe it was done.

Jurors at the first table listen to testimony

"And this is a diagram of the apartment"

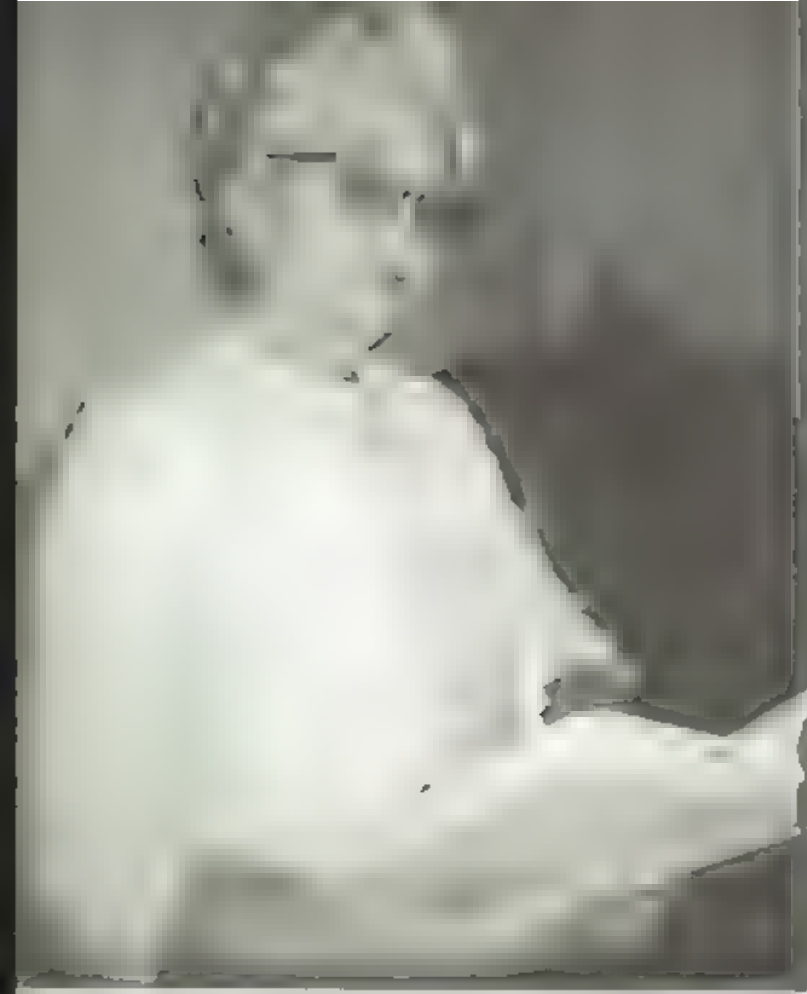

Jurors at the second table stare as they listen to arguments.

"...thirty--thirty-five--thirty-nine seconds exactly."

The last tense moment shows the extreme hatred between the jurors.

# USHS HONORS

Mrs. Katherine Tucker

The U.S.H.S. annual staff would like to take this opportunity to award special recognition to Mrs. Katherine Tucker. Mrs. Tucker has spent nearly all her life in pursuit of education. She attended high school in Warren, Ohio, and graduated from Denison University (where she majored in Spanish). To educate others and to add practical experience to her record, after graduation from college, Mrs. Tucker traveled to Cuba where she taught for four years. She then came to Upper

where she has remained for 28 years teaching English, World History and Spanish. Even now she continues to further her education through her absorbing hobby of reading.

Because of illness in her family, Mrs. Tucker finds that she must now retire from teaching and move from our community. All who have known her will regret her absence from the scene at U.S.H.S.

# Letter From The Editor

Dear Friends,

This edition of the Indian Village Annual has been constructed as a record of the undertakings of organizations, teams, and individuals during the 1968-69 school year. While we tended to emphasize the accomplishments of an organization as a whole, we failed to give enough credit to the individuals themselves. As students and especially seniors we have received a general education, but since education is an individual experience, it is now our duty to make that education "personal" and find our own importance in a specialized world.

Everyone knows that the world is changing. The administrative body of Upper Sandusky High School has tried to help students face these changes. We are currently witnessing major advances in the fields of medicine, including heart transplants, and serums. By 1970 the dream of science, of putting a man on the moon, may become a reality. Some advancements may be dangerous unless used for the betterment of society. One example is the use of atomic and solar energy. One of the most obvious changes affecting us is our new Presidential administration. Since government is the most powerful factor influencing our future, we must be concerned and take an active part in its functioning. All these changes were possible through the efforts of individuals. Now we, as individuals, must continue to make improvements in science, government, education, and the arts, and thus strive to better our world.

Now that I have issued a challenge for the future, I would like to thank those who accepted a challenge of the present--the printing of this annual. Mr. Allen Walton, our annual advisor, was the main driving force behind the hard work involved in creating a successful year-book. My other main helper was Janet Frederick, my business manager. She gave innumerable hours to keep our receipts and disbursements balanced. Also I must not forget the annual staff who sold ads, wrote copy, took pictures, sold annuals, and identified photos. These students unselfishly gave up recreation and study time to meet the demands of our earlier deadlines. Their hard work was rewarded only by the satisfaction of seeing their efforts completed. Last I want to thank the businessmen and individuals who furnished the funds necessary for publication. Looking through the next part of the book, and noting the names of the merchants who helped to bring this publication to you, will help the reader realize the importance of their contributions.

Sincerely,

*Sam Chelius*

National Honor Society

Second year members: N. Newberger, L. Moon, J. Ward, L. Link, J. Eier, D. Hasting, R. Stumpp, B. Wentjes, B. Walton, B. Rieser.

The pinning ceremony

On March 27, 1969, the National Honor Society inducted its new members. Fifteen percent of the junior class are admitted into this society. Membership is based on the student's character, scholarship, leadership and service in both school and community activities. Under the leadership of President Jeff Eier, Vice - President Rhonda Stumpp, and Secretary - Treasurer Jeanette Ward the club sponsored a book fair and a dance. Mrs. Nora Kinley is the advisor.

Mr. Harold Burlingame, speaker at the National Honor Society Assembly.

# ORGANIZATION RECOGNIZES VARSITY LETTERMEN

## VARSIITY-U

For all boys who have earned a varsity letter in football, basketball, baseball, or track there is a special organization. Under the leadership of President Lewis Lenhart, Vice-President Jeff Eier, Secretary Bob Kiess, and Treasurer Dennis DeTray, this year's Varsity-U club scheduled various activities. Among them, they held the sideline ropes for all home basketball games and sponsored a spring carnival. Mr. Ralph Young and Mr. Ronald Jump are the advisers who encourage the boys to develop sportsmanship and athletic achievement.

C. Kiess, J. Everett, and D. Niederkohr were responsible for ropes during intermission.

# WINNING SEASON FOR TRACK TEAM

Upper's hustling Ram thinclads completed another victorious season with an 8--6 record. They also placed 5th in the N.O.L. Meet, 5th in the Heath Relays (23 schools), and 5th in the Northwestern Ohio AA District Meet (14 schools). D. Roszman and D. Griffin took top honors in the N.O.L. Meet with victories in the high jump and pole vault.

Two new school records were also set by the 1969 Rams with David Roszman's high jump of 6'3" and Dennis DeTray's 100 yard dash in 10.1. Timothy Strub, David Niederkohr, Dennis DeTray, and William Clark also tied the 4 lap relay record in 3:05.3 set in 1966.

Based on short stories by Stephan Longstreet, the musical was set in New Jersey about 1913. Highlights were the Model T, college football, get-rich-quick schemes, the tango, bathing beauties and a bird-watching club. Characters included Harrison Floy, a small-time pitchman, and his side-kick, Mr. Pontdue. The family whom they victimized was Papa and Mama Longstreet. Fran, Mam's sister and her boy friend completed the cast.

The play is a succession of schemes and ends with Floy manufacturing beauty creme from swamp mud. Some of the songs from the show were: Nothing like a Model T, Ladies Bird-watching Society, Sunday by the Sea, I Still Get Jealous, and Papa Won't You Dance With Me. Work on the production started March 6, 1969 and was presented April 17, 18, and 19. The Cast of 67 worked hard and the 1 1/2 hour musical was a comical success.

# U.S.H.S. IS IMPORTANT IN THE WORLD

Far from the warmth and love of home, family, and friends are many soldiers. These young people comprise a significant unit of men, each different in appearance, belief, and personality. However, all are bound under one code--this being to serve their country as best they can even to the extreme sacrifice of their lives.

There have been four courageous young men from our school who thought highly of the lives, dreams, and freedoms of others. They were unselfish and died for the hope of a free and safe world.

We know not the grief of their friends and loved ones. We only know that each individual is important, that we are proud that they were Americans fighting for us, and that in our way UPPER SANDUSKY HIGH SCHOOL IS IMPORTANT IN THE WORLD.
